

WORKING TOGETHER. DRIVING RESULTS.

Marketing is changing rapidly. As technology accelerates this change, strategic marketing and tactics to compete are a must. Business owners need to become more aware, connected and ahead of the competition. First Wave Marketing is here to help you with that challenge.

As a full-service marketing consulting firm, we partner with our clients to deliver solutions that bring top notch results. Our services are designed to help all types of businesses, at a small business price. We specialize in inbound marketing and have the resources to market your business effectively.

Whether your business needs strategic direction, graphic design, web expertise, public relations, social media, or email marketing expertise, we can help you stand out from your competitors and help grow your business.

Services We Offer:

Advertising – Print or Online. Local. National.

Blogging – Creative. Informative & Effective Content.

Brand Identity – Strategy. Execution & Reinforcement.

Collateral – Creative. Online & Offline Materials.

Consulting – Identify Needs. Strategize & Execute.

Email Marketing – Planning. Execution & Reporting.

Event Planning – Effective Planning. Execution & Management.

Media Research – Competitive Market Analysis & Planning.

Public Relations – Strategic Planning. Research & Execution.

Social Media – Content Planning. Execution & Management.

Web Sites & SEO – Project Management. Responsive Design & Maintenance.

Whether you want to REFRESH your brand or CREATE it from scratch, First Wave Marketing will guide you through the process to mold the impression you want. We will make sure your website, social media, promotional materials, public relations and all of your marketing efforts support each other and build on each other.

Services provided may be packaged together for a reduced rate or purchased separately.
